

SUNRIDGE PROPERTY OWNERS ASSOCIATION

CROSS CONNECTION CONTROL POLICY

This policy establishes the **Cross Connection Control and Backflow-Prevention Control Program** (hereinafter referred to as the "Program") for the Sunridge Property Owners Association Water System. Implementation and enforcement of this program is the responsibility of the Sunridge Property Owners Association Board of Directors.

PART I:

The Sunridge CROSS CONNECTION CONTROL AND BACKFLOW PREVENTION PROGRAM includes the following:

- (1) A Public Awareness Program: The Program will be discussed at each Annual Property Owners Meeting. In addition, each newsletter (the "Ridge Runner") will include program reminders and information. Additional information will be posted on the Sunridge Web Site when appropriate.
- (2) Trained Staff: One or more of the Sunridge Property Owners Association Board of Directors will be trained. Training will be provided by the Utah Division of Drinking Water.
- (3) Written Records: Public Awareness, Training, Inspections, and Enforcement Actions will be documented and records maintained for a minimum of five (5) years.
- (4) Inspections: All new or modified connections to the Sunridge Property Owners Association Water System must be inspected by the assigned Sunridge Water Manager. Assignment of the Sunridge Water Manager will be the responsibility of the Sunridge Property Owners Association Board of Directors.
- (5) Cross Connection Control and Backflow Prevention:
 - a. Any new or modified connection supplied with water from the Sunridge Property Owners Association Water System shall include a dual check valve backflow prevention device installed in the meter set. Installation shall comply with Sunridge Water System Construction Standards (See Figure 1).
 - b. Lots without a dual check valve backflow prevention device require a Hose Bib Vacuum Breaker on all outdoor hose bibs.

Any person found in violation of this policy will be subject to loss of water service until required corrections are made as determined by the Sunridge Property Owners Association Board.
